The latest in the award winning Kingdom of Heaven series. When we left off at Kingdom of Heaven: Definitive Edition, Conn and his companions had just arrived in Jerusalem and were making their way to the Kingdom's seat of power, where Prince Josia waits in exile. We catch up with Josia much later when he's about to be crowned king after his father is killed by a traitorous general. Faced with overwhelming suspicion from the court and grasping nobles, Josia must learn to survive as a powerless king... Josia must climb to the top of this snake pit if he is to unite his kingdom, save his people from the threat of invasion and clear his name before he loses everything. The fate of an empire hangs in the balance as he uncovers a shocking revelation that changes everything!
